

2020: What's Your Vision for Library Services in New York State?

1. What services will New Yorkers expect from their academic, public, school, and special libraries in 2020?

2. What strategies will best position library organizations to deliver those services?

3. What role should the State play in serving libraries and New Yorkers more effectively?

Type of Library/System (public, school,...):

Role (trustee, director, staff member,...):
