

## Library Development

### FY2009-2010 Awards Under \$14 Million Public Library Construction Grant Program, Listed by Public Library System/County

By Public Library System

The New York State Legislature provided an appropriation of \$14 million in capital funds for public library construction in the 2009-2010 State Budget. Libraries could apply for a construction grant that could fund up to 50 percent of a project. The minimum grant award was \$2,500 (for a total project cost of \$5,000 with matching funds from the library). The New York State Library has awarded 173 construction grants to public libraries and public library systems in legislative districts throughout New York State.

If you have questions about the construction grant program or application procedure, please contact [Linda Todd](#).
