

1. Go To <http://factfinder2.census.gov>
2. Geographies Selections

The screenshot displays the American FactFinder interface. At the top, the U.S. Census Bureau logo is visible. Below it, the 'AMERICAN FactFinder' logo is prominently displayed. A navigation bar includes 'MAIN', 'SEARCH', 'WHAT WE PROVIDE', and 'USING FACTFINDER'. A 'Select Geographies' button is highlighted with a blue box. On the left, a sidebar menu is outlined in red, containing 'Your Selections', 'Topics', 'Geographies', 'Population Groups', and 'Industry Codes'. The main content area features a search box with the text 'Enter search term(s) and click 'GO'', a 'GO' button, and radio buttons for 'topics', 'population groups', and 'industries'. A large black arrow points from the 'Select Geographies' button to the 'Geographies' option in the sidebar.

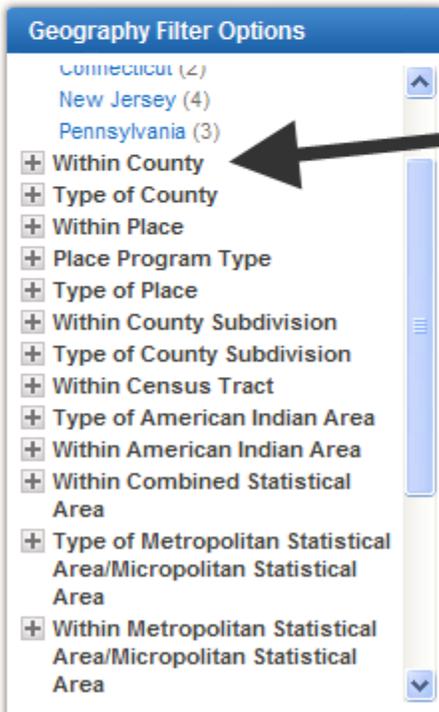

3. Within State—Select NY, then within a County—Select Chemung (NOTE, if you want a county-wide summary, you can stop at this point and move to Selecting Topics)

Within a State

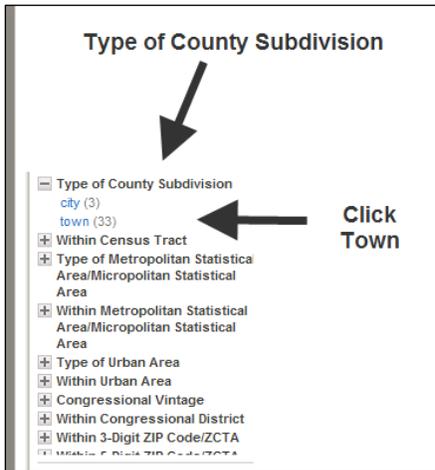

Enter a geography name or use the Geo

Enter a geography name (Alabama, Mare

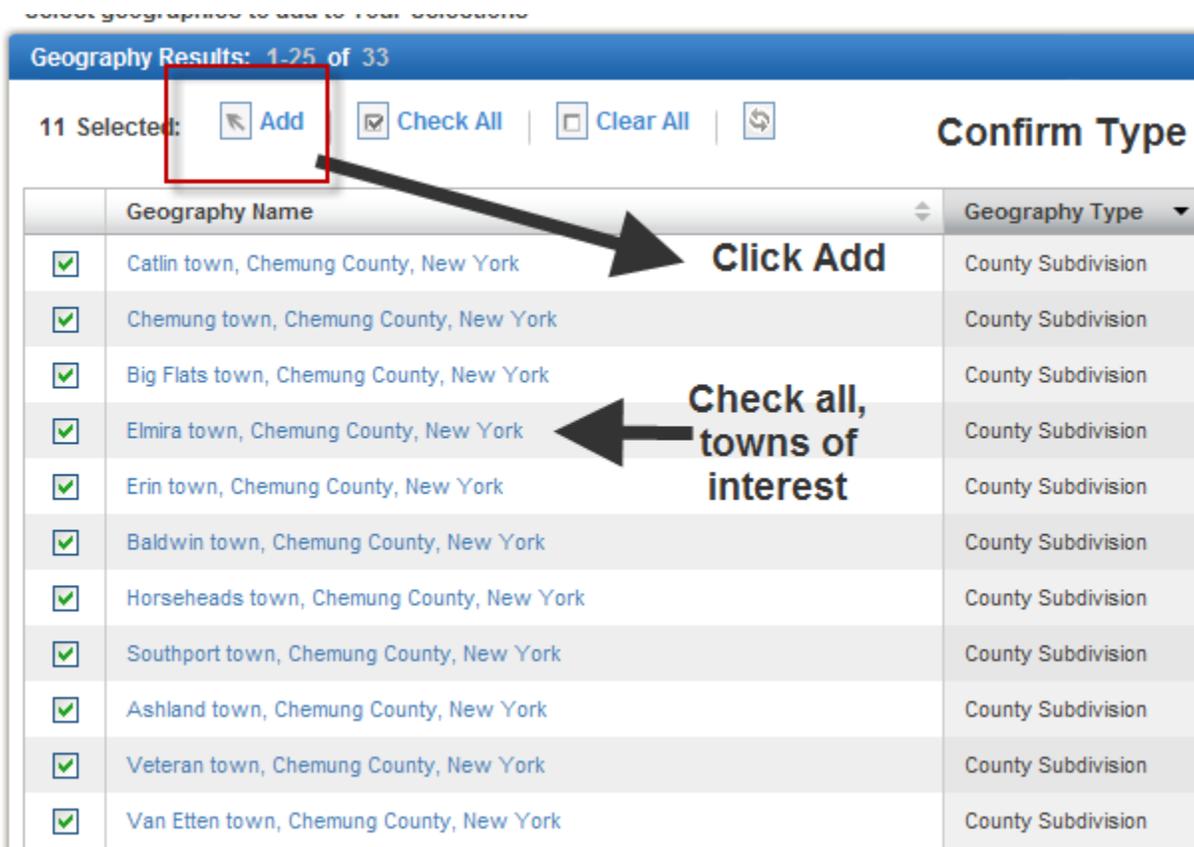

Click within a County,  
Select Chemung

7. Select Table

Search Results: 1-25 of 61

Selected: View | Download | Compare | Clear All

	ID	Title
<input type="checkbox"/>	DP02	<a href="#">SELECTED SOCIAL CHARACTERISTICS IN THE UNITED STATES</a>

Click on Table

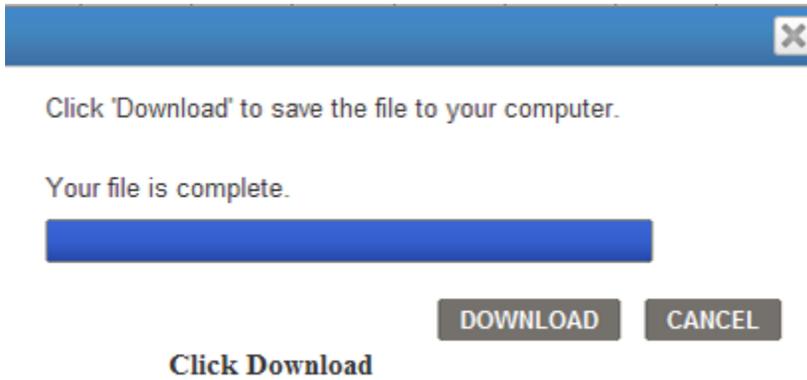

8. Click DOWNLOAD

The screenshot shows the U.S. Census Bureau Factfinder interface. At the top, there is a navigation bar with links for MAIN, SEARCH, WHAT WE PROVIDE, and USING FACTFINDER. Below this is a banner that reads "Results - Click Back to Search to select other tables or geographies". A "BACK TO SEARCH" button is visible. The main content area displays "DP02" and "SELECTED SOCIAL CHARACTERISTICS IN THE UNITED STATES 2006-2010 American Community Survey 5-Year Estimates". There are two view options: "Table View" and "Map View". Below these are action buttons: "Modify Table", "Bookmark", "Print", "Download", and "Create a Map". The "Download" button is highlighted with a red box, and the text "Click Download" is written below it.

9. Make file format selection, Click ok

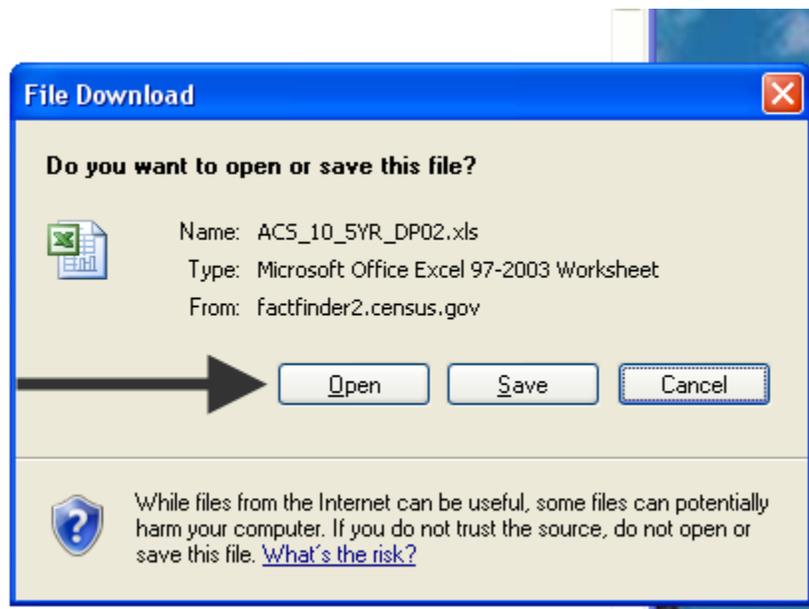

The screenshot shows a "Download" dialog box with a blue header and a close button. The main text says "Select a download format and click OK." Below this are three sections: "Database-compatible formats (data rows only)", "Presentation-ready formats", and "Orientation". The "Presentation-ready formats" section is highlighted with a red box and contains three options: "PDF", "Microsoft Excel (.xls)", and "Rich Text Format (.rtf)". The "Microsoft Excel (.xls)" option is selected. To the right of this section are "Orientation" and "Paper size" options. The "Orientation" section has "Portrait" selected, and the "Paper size" section has "8 1/2\" x 11\"" selected. At the bottom left, there is a note: "[PDF] or [PDF icon] indicate a document in Adobe's Portable Document Format. To view the file you will need the Adobe® Acrobat® Reader available free from Adobe." At the bottom right, there are "OK" and "CANCEL" buttons.

10. Click Download

11. Click Open then extract data using copy & paste the data you seek then compose charts, graphs etc. within Excel.

**Click Open**

**Good Luck!**
