

*Bill and Melinda Gates Foundation*  
*Opportunity Online Hardware Grant Program*  
**Phase I Final Report**  
**April 1- December 31, 2008**

**OUTPUTS**

- 1) How many of your member libraries participated in this grant project?
- 2) How many computers were installed?
- 3) If you chose to host the online advocacy training, please provide the following information:
  - A) Total # of training sessions – provide a list of training dates & times
  - B) Total # of participants by type (Staff, Trustees, Other)
- 4) If your system provided coordinated purchasing and installation of computer hardware for your member libraries, please answer the following:
  - A) The number of libraries that utilized the system's recommendations regarding hardware and software
  - B) The number of libraries that utilized the system's coordinated purchasing services
  - C) The number of libraries that utilized the system's installation services
  - D) The number of libraries that utilized the system's training services

**OUTCOMES**

- 1) In a brief narrative, please describe how you utilized your hosting funds. Include how you promoted the training and any additions made to the training content. What were the benefits of this training? What were the disadvantages?
- 2) What specific steps did your system take to help your participating libraries meet the ALA-FSU and TechAtlas deadlines? If there were problems, how were they overcome?
- 3) What has been the impact of this Gates grant upon your library system and your member libraries? For example: Can some of your member libraries now offer more types of E-Government services such as job information? How has public access computing improved? Have any new programs been developed as a result of improved computer availability?

**BUDGET INFORMATION**

- 1) Please explain, in detail, project expenditures as they relate to the code amounts reported on the FS-10-F.

**This Final Report must be received in Library Development by January 30, 2009.**
