The Sagamore on Lake George

BUILDING YOUR LIBRARY COMMUNITY

This two-day intensive, professional development opportunity will provide you with the training, tools and confidence you need to be a powerful advocate for your library. This exciting event will feature special speakers and experts, field trips, and tons of creative tips and ideas to share!

A welcome reception will take place at 6:00 PM on April 6th or April 9th at the hotel.

Turning the Page is funded by the [Bill & Melinda Gates Foundation](#) and is a requirement of the Opportunity Online Hardware Grants program. PLA and the Foundation invite you to send up to three representatives from your library system to the event. We recommend bringing library staff and one community leader, such as a library trustee or other community member, to participate in this special opportunity.

All participant travel, hotel and meal expenses are covered by the PLA/Gates grant.

If you have any questions, please contact the [Public Library Association](#) at sls@ala.org.
