

Annual Report for Public and Association Libraries – 2007 Outline of Major Changes

2006 Annual Report	2007 Annual Report
LIBRARY DATA REPORT	
	Question 1.35, Library budget subject to public vote and repeating group: question and instructions re-worded.
	Question 2.20, Audio Recordings: Definition now includes web-based or downloadable books and MP3 files. Both physical and electronic units must be reported. Electronic units include items which are part of the library's collection and that are accessible through the library's Online Public Access Catalog.
	Question 2.21, Video Recordings: Definition of video format now includes web-based or downloadable files, etc. Both physical and electronic units must be reported. Electronic units include items which are part of the library's collection and that are accessible through the library's Online Public Access Catalog.
	Questions 3.11 through 3.29, Summer Reading Program; Questions 3.30 through 3.40, Early Literacy Program; Questions 3.41 through 3.50, English Speakers of Other Languages. New series of questions added to collect baseline data to measure statewide need for these programs. Information will help libraries meet community needs and increase awareness of the services and programs offered by public libraries.
Questions 3.11 through 3.17	Re-numbered as questions 3.51 through 3.57
	Questions 5.7 & 5.8: New questions related to Type of Public Internet Service Connection and Maximum Speed of Internet Connection.
