Repeating groups allow the user to customize the report to provide detailed information. As many groups for the same question may be added, as needed.

If there are blank or unwanted groups of questions, clicking on "Remove Group" will delete the extra response boxes.

If a question does not apply, one group must be completed with "N/A" in each data entry box.

Note: Collect does not have an "Undo" button; once a repeating group has been removed, the user can not retrieve the lost data.
