AN ACT to enlarge the Clifton Park library district and create the Clifton Park-Halfmoon public library district in Saratoga county

Became a law June 15, 1987, with the approval of the Governor.  
Passed by a majority vote, three-fifths being present.

*The People of the State of New York, represented in Senate and Assembly, do enact as follows:*

Section 1. Notwithstanding the provisions of any general, special or local law to the contrary, the Clifton Park public library district created by public referendum on September fifth, nineteen hundred eighty-five, pursuant to chapter five hundred nineteen of the laws of nineteen hundred eighty-five, to include all of the town of Clifton Park is hereby enlarged to include that portion of the town of Halfmoon located outside of the limits of the Mechanicville and Waterford public school districts. Said enlarged district shall be known as the Clifton Park-Halfmoon public library district.

§ 2. Election. The Clifton Park-Halfmoon public library district shall not come into existence unless and until it is approved by a vote of the majority of the qualified voters of said district at an election conducted as hereinafter provided. Upon receipt of a petition signed by not less than twenty-five voters qualified to vote at a Clifton Park town election and a petition signed by not less than twenty-five voters otherwise qualified to vote at a general election in the town of Halfmoon and residing outside the limits of the Mechanicville and Waterford public school districts requesting such an election, the board of trustees of the Clifton Park public library district shall give notice of an election to be conducted on or before the fifteenth day of March, nineteen hundred eighty-eight. At said election the only issue shall be whether the public library district herein described shall be created or not. This issue shall be voted on separately by the voters of the town of Clifton Park and by the voters of so much of the town of Halfmoon as is located outside the limits of the Mechanicville and Waterford public school districts. In said election, the polling place for voters residing in the town of Clifton Park shall be the Shenendehowa public library, and the polling place for voters residing in the town of Halfmoon shall be the Halfmoon town hall. If a majority of the voters residing in the town of Halfmoon approve the formation of the district and a majority of the voters residing in the town of Clifton Park approve the formation of the district, then the district shall come into existence on the terms and conditions set forth hereinafter. If either the voters residing in the town of Halfmoon or the voters residing in the town of Clifton Park do not approve the formation of the district by a majority vote at said election, respectively, then the district shall not come into existence and the Clifton Park public library district created pursuant to chapter five hundred nineteen of the laws of nineteen hundred eighty-five shall continue in existence as though no election were ever held. The trustees of the Clifton Park public library district shall give such notice of said election by the publication of a notice in one or more newspapers having a general circulation in the district to be served. The first publication of such notice shall be not less than thirteen days and not more than twenty days prior to the date of such election. In addition, the board of trustees of the Clifton Park public library district shall cause copies of such notice to be posted conspicuously in five public places in the district to be served at least thirteen days prior to the date of such election. Such notice shall specify the time when and the place where such election will be held, the single issue to be decided at said election and the hours during which the polls will be open for receipt of ballots. The board of trustees of the Clifton Park public library district shall prepare the ballots for such election and the polls shall remain open for the receipt thereof from five o'clock p.m. until nine o'clock p.m., and such additional consecutive hours prior thereto as the board of trustees of the Clifton Park public library district may have determined and specified in the notice thereof. The board of trustees shall designate a resident taxpayer of

such district to act as chairman of the election and shall designate not less than two nor more than four resident taxpayers of the town of Halfmoon and the town of Clifton Park, respectively, to act as election inspectors and ballot clerks at each of the polling places established as aforesaid for said election. No trustee shall serve as such chairman or as an election inspector or ballot clerk. The board of trustees may adopt a resolution providing that such chairman, election inspectors and ballot clerks shall be paid for their respective services. Such resolution, if adopted, may fix reasonable compensation for the services of each such official. Every voter of the town of Clifton Park otherwise qualified to vote at a general town election shall be qualified to vote at said election, and every voter of the town of Halfmoon residing outside of the limits of the Mechanicville and Waterford public school district and otherwise qualified to vote at a general town election shall be qualified to vote at said election. After the polls have been closed at said election, the election inspectors and ballot clerks at each such polling place shall immediately canvass publicly the ballots cast and return such canvass forthwith to the chairman of the election, who shall publicly announce the results. Within seventy-two hours thereafter the chairman, election inspectors and ballot clerks shall execute and file a certificate of the result of each canvass with both the board of trustees and the town clerk of each of the towns of Clifton Park and Halfmoon.

§ 3. Organization and structure. 1. General. In the event that the Clifton Park-Halfmoon public library district is created, it shall be organized and operated in all respects as provided for in chapter five hundred nineteen of the laws of nineteen hundred eighty-five except to the extent that the provisions of that statute are inconsistent herewith. At the annual election called for in that statute, the qualified voters shall include every voter of the town of Clifton Park otherwise qualified\* to vote at a general town election and every voter of the town of Halfmoon residing outside of the limits of the Mechanicville and Waterford public school districts otherwise qualified to vote at a general town election.

2. Allotment of representation on the board of trustees. Of the eleven seats on the board of trustees established pursuant to chapter five hundred nineteen of the laws of nineteen hundred eighty-five, three seats are hereby designated as Halfmoon seats. These three seats, and any other seats subsequently designated as Halfmoon seats as hereinafter provided, may be filled only by qualified voters of the town of Halfmoon residing within the district and nominated by qualified voters residing within the district or appointed by the board to fill a vacancy. The Halfmoon seats shall be filled by Halfmoon residents as soon as possible as terms expire or vacancies occur in accordance with the provisions of chapter five hundred nineteen of the laws of nineteen hundred eighty-five. All seats not designated as Halfmoon seats may be filled only by qualified voters of the town of Clifton Park nominated by qualified voters of the town of Clifton Park or appointed by the board to fill a vacancy. The board of trustees shall have authority to and shall alter the aforesaid allotment of representation on the board to continue the proportion of Halfmoon seats on the board as aforesaid in conformity with the actual demographics of the district based on current United States Bureau of the Census data. The election of trustees shall otherwise be carried out in accordance with the provisions of chapter five hundred nineteen of the laws of nineteen hundred eighty-five, and the voters of the district shall retain the right to adopt a proposition providing that in subsequent elections vacancies shall be considered separate specific offices as provided in chapter five hundred nineteen of the laws of nineteen hundred eighty-five.

The supervisor of the town of Clifton Park and the supervisor of the town of Halfmoon shall pay over to the library district all moneys which belong to or are raised for the library district. No moneys shall be disbursed by the treasurer except after audit by the board of trustees. The board of trustees shall audit all claims and shall order the payment thereof, except as otherwise provided by this section. No such claims shall be audited or ordered paid by the trustees unless an itemized voucher therefor, certified or verified by or on behalf of the claimant in such form as the board of trustees shall prescribe, shall be presented to the board of trustees for audit and allowance. The provisions of this section shall not be applicable to payment of claims of fixed salaries and amounts which the library district may be required to pay on account of retirement contributions for past and current services to officers and employees of the library district. The treasurer shall keep such records in such manner as the board of trustees may require.

§ 5. Charter, commencement of operations and transfer of property. The trustees of the Clifton Park public library district shall, within thirty days from the date of approval of the Clifton Park-Halfmoon public library district by the voters of the district, apply to the board of regents for a charter as a public library.
