To Whom It May Concern:

I am writing to express my support for the Phoenicia Library's Computers For Academic Readiness Program (C-FAR). This program is the best combination of school and community efforts I've seen. Our PTA is very excited to be involved! I have spoken to several parents who are eager to participate as mentor volunteers. The need for this kind of outreach in our community is huge. We will do all we can to support the project goal of raising readiness standards for our children.

As I told Randy and Jeff when they explained the project to me, C-FAR will help our kids to see far!

Sincerely,

Lolly Adler
