Google.com – Advanced Search

The screenshot shows the Google Advanced Search interface. At the top left is the Google logo, followed by the text "Advanced Search" and a link for "Advanced Search Tips | About Google". Below this is a large text box containing the instruction: "Use the form below and your advanced search will appear here".

The main search area is titled "Find web pages that have..." and includes three input fields: "all these words:", "this exact wording or phrase:", and "one or more of these words:". The "one or more of these words:" field is followed by "OR" operators and additional input boxes. A "tip" link is provided for each of these sections.

Below this is the section "But don't show pages that have..." with an input field for "any of these unwanted words:" and a "tip" link.

The "Need more tools?" section contains several options: "Results per page:" (set to "10 results"), "Language:" (set to "any language"), "File type:" (set to "any format"), and "Search within a site or domain:" (with a placeholder "(e.g. youtube.com, .edu)"). A link for "+ Date, usage rights, numeric range, and more" is also present.

An "Advanced Search" button is located at the bottom right of the form area. The copyright notice "©2010 Google" is at the bottom center.

Annotations on the left side of the image point to various elements: "Type key words here" points to the "all these words:" field; "Drop down menus (see below)" points to the "Results per page:", "Language:", and "File type:" dropdowns; "Limit to:" points to the "Search within a site or domain:" field.

Limit to:

- Government sites (.gov),
- Education sites (.edu), etc.

Click to start search

Limit how many results are shown at once

Limit what language the sites will be shown in

Limit the search to a certain format

This image shows three close-up views of the dropdown menus from the Advanced Search form. The first shows the "Results per page:" dropdown with options: 10 results, 20 results, 30 results, 50 results, and 100 results. The second shows the "Language:" dropdown with a long list of languages including Afrikaans, Arabic, Armenian, Belarussian, Bulgarian, Catalan, Chinese (Simplified), Chinese (Traditional), Croatian, Czech, Danish, Dutch, English, Esperanto, Estonian, Filipino, Finnish, French, and German. The third shows the "File type:" dropdown with options: any format, Adobe Acrobat PDF (.pdf), Adobe Postscript (.ps), Autodesk DWF (.dwf), Google Earth KML (.kml), Microsoft Excel (.xls), Microsoft Powerpoint (.ppt), Microsoft Word (.doc), Rich Text Format (.rtf), and Shockwave Flash (.swf).

The Lockport Public Library's Public Computing Center (PCC) activities are funded by the New York State Library, a unit of the Office of Cultural Education within the New York State Education Department (NYSED), which has been awarded a \$9.5 million grant from the U.S. Department of Commerce National Telecommunications and Information Administration (NTIA) to expand computer access in public libraries across New York. The funding is being provided through the American Reinvestment and Recovery Act (ARRA) Broadband Technology Opportunities Program (BTOP).
