For example: click Architecture to see a preview.
(Seen here behind the box.)

OR,
You can
access your
pictures
from your
files and
create your
own
background
as
slideshow.

Click Pictures Library from the drop down menu to access your photos.

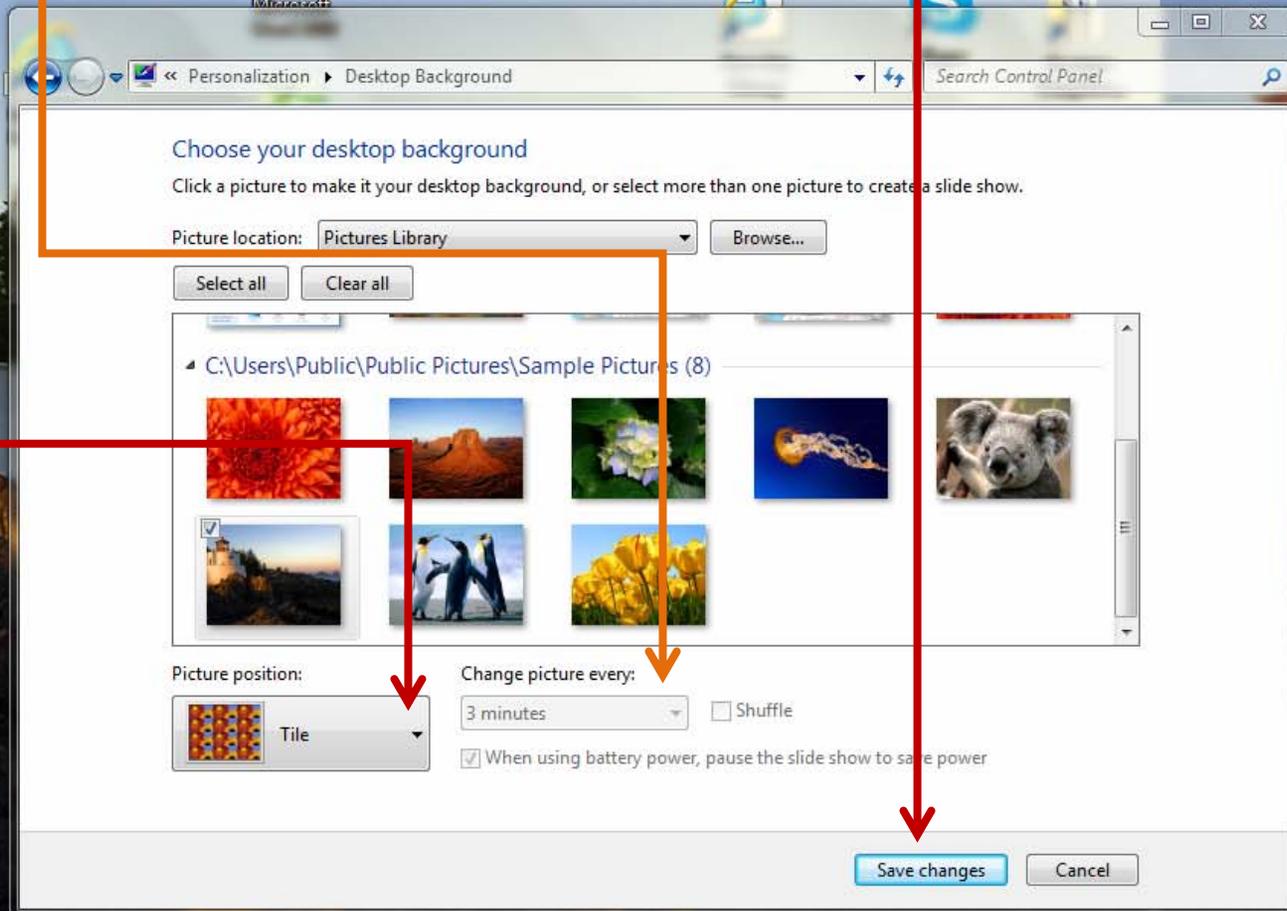

Click the picture or pictures you want to set as your background.

Set the "Picture position" as Tiled (like these lighthouses) or as Fill, Fit , Stretch or Center.

Set 'Change picture every' (choose from) seconds, minutes, or day.

Don't forget to click Save changes!!

Click a theme to change the desktop background, window color, sounds, and screen saver all at once.

Sound

Playback Recording Sounds Communications

A sound theme is a set of sounds applied to events in Windows and programs. You can select an existing scheme or save one you have modified.

Sound Scheme:
Garden Save As... Delete

To change sounds, click a program event in the following list and then select a sound to apply. You can save the changes as a new sound scheme.

Program Events:

- Windows
 - Asterisk
 - Close Program
 - Critical Battery Alarm
 - Critical Stop
 - Default Beep

Play Windows Startup sound

Sounds:
(None) Test Browse...
