

The Public Computing Center at Mid York is really three computing centers: one stationary facility at Mid York Library System (PCC), and two Satellite Public Computing Centers (sPCCs) which travel to libraries in Herkimer and Madison Counties for three-month visits.

Quick Numbers:

- 22 computers in the PCC
- 9 foot screen and projector
- 1 Smartboard
- 10 laptops in the sPCCs, 5 in each
- 3 trainers
- 1 project manager
- 189 classes taught between December 2010 and March 2012
- 24 unique curriculums

Trainer Fritz Meeusen provides one on one assistance at the Herkimer sPCC

The PCC at Mid York Library System was designed to be a state of the art training facility to help local businesses and non-profits keep up with the ever-changing world of technology.

Who's Been Using the PCC?:

- Catholic Charities
- Central New York Library Resources Council
- Cornell Cooperative Extension
- Insight House
- Jay-K Lumber
- Leadership Mohawk Valley
- Madison-Oneida BOCES
- Planned Parenthood

What they have to say:

**Betty-Joan Beaudry, VP Practice Management
Planned Parenthood:**

"...Staff members and trainers alike were amazed with the facility...We would love the opportunity to use the facility again, and would highly recommend the facility to any business in the area looking for the same type of service..."

What they have to say:

Debby Emerson, CLRC Executive Director:

"We always appreciate our collaboration with Mid-York and especially enjoy being able to use your wonderful facilities. We look forward to partnering with you for upcoming events and projects, and wish you all the best for 2012!"

The Satellite Computing Centers

The sPCC at Canastota

In January of 2011, Mid York piloted two Satellite Public Computing Centers. The sPCCs are designed to increase our coverage of Herkimer and Madison Counties.

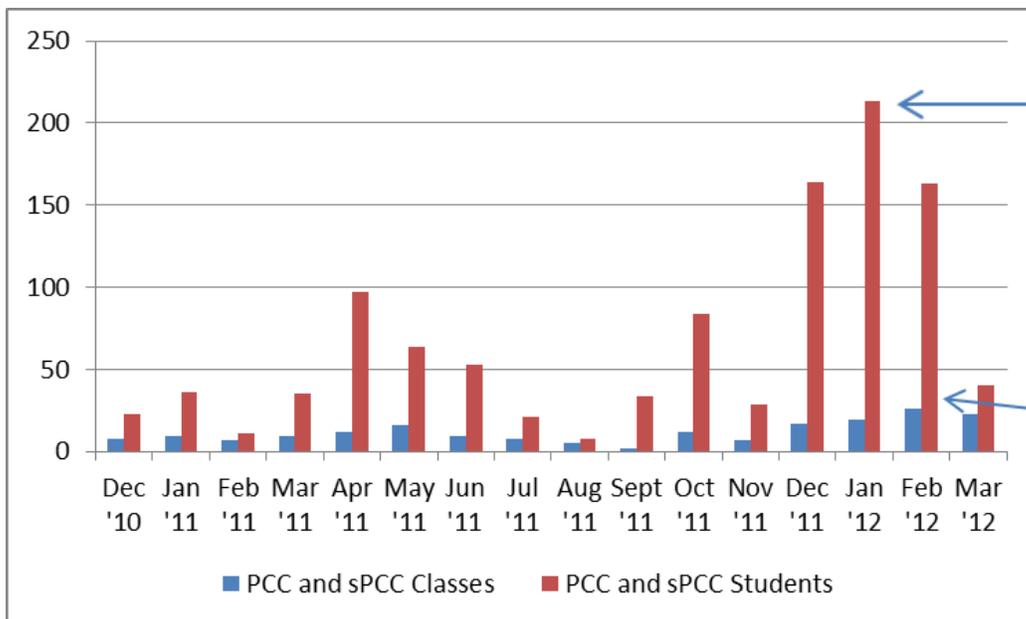

How They Work

Five laptops are provided to each host library. Trainers are available two days a week at each sPCC for both classes and one on one instruction. The laptops are available for public use any time classes are not in session.

sPCC Locations

Dates	Herkimer County	Madison County
Jan-Mar	Herkimer	Canastota
Apr-Jun	Little Falls	Hamilton
July-Sept	Old Forge	Cazenovia

PCC and sPCC Numbers

January 2012: Students trained hits all time high of 213 with the introduction of the sPCCS!

February 2012: PCC usage hits a record high of 26 classes!
