The Broadbandexpress@yourlibrary project is funded by a \$9.5 million grant from the U.S. Department of Commerce National Telecommunications and Information Administration (NTIA) to expand computer access in public libraries across New York State. The funding is being provided through the American Reinvestment and Recovery Act (ARRA) Broadband Technology Opportunities Program (BTOP).

The PCC is located in the lower level, new addition of the library. Stop in!

The sole purpose of the PCC lab and it's staff is to serve the community by raising digital literacy—the confidence, skill and ease with which you *make technology work for you*—in your life and in your work.

All services of the library —  
workshops, classes and high  
speed wireless access - are  
*free and open to the public.*

(Library card required—priceless!)

Call or come in to register, or, sign up on the  
library website.
