

Brought up to the varsity level as just an eighth grader, Chadderdon, now a 6-foot-2, 225-pound senior, can stake claim to starting for the Bulldogs in all five seasons and being an influence on every team from the program's first-ever title to approaching its fifth straight.

Group Inc. All-Metro team. It will also be the second consecutive season that the Ohio State-bound Chadderdon was named a first team all-star.

This honor comes during a season in which Chadderdon was one of only three starting seniors on a Hamburg team that, despite its youth,

travel to Florida in 2012. Chadderdon played for the Western Region at the Empire State Games last summer and in 2008, after his freshman season on a team of mostly rising seniors. Those teams won a gold medal in 2008 and bronze two years later. He was also ranked nationally at No. 24 among rising

student, reaching the high honor roll in all four quarters from 2008 to 2011. Carrying a 3.9 grade point average, Chadderdon is a member of the National Honor Society, National Business Honor Society, New York State All-Academic team and Varsity Honors Club at Hamburg.

## Lockport Library lends a hand

Free computer and job skill classes are being offered at the Lockport Library this summer.

Classes cover a variety of topics, including computer basics, the Internet, Microsoft Word and Excel, job searching online and resume writing.

If you need to find a job, update your

computer skills, or just get online for the first time and communicate with family, the Lockport Library KEY program can help. One-on-one training and help is also available.

Registration is required, and seats are limited. Call 433-5935 ext. 3 for more information.
