

Western Sullivan Public Library

Invites you to the Opening of our
Public Computer Center

In an effort to provide Computer Education and Assistance to the underserved, the New York State Education and Library System secured funding through the Recovery Act to create thirty PCCs across NY State. We are very excited about the opportunity this brings to Western Sullivan County and look forward to showcasing our new capabilities.

Please join us on: January 21st, 2011

Time: 4 – 6 pm

Location: Jeffersonville Branch

Address: 19 Center Street, Jeffersonville, NY

Refreshments will be served.
