What is Your Ideal Workplace?

Do you want to work in a changing and dynamic environment?
 On the cutting edge of technology?
 In the global world of information management?

Careers in libraries today juxtapose the old and the new. You can break the mold to build a thriving community of information exchange as a --

- Digital archivist,
- data warehouse specialist
- medical or health librarian
- blended librarian
- virtual reference specialist
- a vr coach, complete with a personal avatar
