

Activity 5:**Outcome-Based Evaluation****OBE Step Four: Measurable Outcomes (Transfer completed worksheet to *Final OBE Plan* section labeled *Outcomes Evaluation*)****Outcomes:**

Outcome 1: <i>(Changes in skill, knowledge, attitude, behavior, life condition or status)</i>				
Indicator(s) <i>(Concrete evidence, occurrence, or characteristic that will show that the desired change occurred)</i>	Data Source <i>(Where data will be found)</i>	Data Intervals <i>(Points at which information is collected)</i>	Target Applied To <i>(Segment of population to which this indicator is applied)</i>	Target Achievement Level (Goal) <i>(the number , percent, variation or other measure of change)</i>

Outcome 2: <i>(Changes in skill, knowledge, attitude, behavior, life condition or status)</i>				
Indicator(s) <i>(Concrete evidence, occurrence, or characteristic that will show that the desired change occurred)</i>	Data Source <i>(Where data will be found)</i>	Data Intervals <i>(Points at which information is collected)</i>	Target Applied To <i>(Segment of population to which this indicator is applied)</i>	Target Achievement Level (Goal) <i>(the number , percent, variation or other measure of change)</i>

Activity 5:

Outcome-Based Evaluation

OBE Step Four: Measurable Outcomes (Transfer completed worksheet to *Final OBE Plan* section labeled *Outcomes Evaluation*)

Outcome 3: <i>(Changes in skill, knowledge, attitude, behavior, life condition or status)</i>				
Indicator(s) <i>(Concrete evidence, occurrence, or characteristic that will show that the desired change occurred)</i>	Data Source <i>(Where data will be found)</i>	Data Intervals <i>(Points at which information is collected)</i>	Target Applied To <i>(Segment of population to which this indicator is applied)</i>	Target Achievement Level (Goal) <i>(the number , percent, variation or other measure of change)</i>

Outcome 4: <i>(Changes in skill, knowledge, attitude, behavior, life condition or status)</i>				
Indicator(s) <i>(Concrete evidence, occurrence, or characteristic that will show that the desired change occurred)</i>	Data Source <i>(Where data will be found)</i>	Data Intervals <i>(Points at which information is collected)</i>	Target Applied To <i>(Segment of population to which this indicator is applied)</i>	Target Achievement Level (Goal) <i>(the number , percent, variation or other measure of change)</i>
