

**Opioid Overdose Prevention Training
for Public Library Personnel and Volunteer Workers:
Recognizing a Life-Threatening Opioid Overdose
and Using an Opioid Antagonist**

CERTIFICATE OF COMPLETION

This training has been approved by the NYSDOH pursuant to section 3309 of Public Health Law for Opioid Overdose Prevention Training

This certifies that _____ has been trained in opioid overdose prevention including the use of intranasal naloxone for the purpose of preventing death from an opioid overdose. This practice is legal under New York State Public Health Law Section 3309 and under 10 N.Y.C.R.R. Section 80.138, and aligns with the New York State Education Law §922, Chapter 68 of the Laws of 2016 to include New York State Public Libraries as eligible participants in the opioid overdose prevention programs.
