

**Van Dyck Family  
Papers, 1754-1875**

**SC13215**

**Quantity:** 1 box (0.25 cubic ft.)  
**Access:** Open to research  
**Acquisition:** Purchase; F.W. Hoffman, 1941

**Historical Note:**

A group of papers related to Van Dyck and allied families of Schenectady, New York and vicinity. These papers include blotters of debit-credit accounts and receipts related to the medical practice of Cornelius [Cornelis] Van Dyck, 1759-1775. It details the cost of treatments and prescriptions provided and the value of payment in cash or kind. Also included is the will of Cornelius [Cornelis] Van Dyck, which was probated in 1758. Other papers of interest include debit-credit accounts and receipts from a general store of John Baptest Wendel [Wendell], an Indian trader; personal correspondence, 1782-1834 of various member of the family and papers related to Mary L. Buell's academic studies at Schenectady at Schenectady Union School, 1871-1875.
