New York March 14 1796

Dear Sir

Mr Weston has recommended that about an Acre and an half of ground of Mr Peters's Meadow should be obtained adjoining the river above the Guard lock for the purpose of procuring Clay & mould to strengthen & compleat the embankments Will you be so good as to try to purchase it from the Owner, or if he refuses to sell the fee simple, then to agree with him to take what earth we may want, and the money will be paid him in conformity to any Agreement which you shall make. — If he refuses this also, Mr Weston has directions to apply to you as a Magistrate to have the damages valued in the manner by Law. —

I have the pleasure to advise you that the Senate have agreed to pass the enclosed fifteen thousand

but the Assembly will accede to the
We have a good prospect that
Mr Weston will ~~persistent~~ assist
us to repair next year. and that the
canal at Fort Schuyler ~~and~~
~~the Locks~~ will be completed in
all the season, and many of the
obstructions between Schenectady
& the falls be removed —

The directors wish you to
continue to have the toll collected
for the passage of the boats, but
constable has come home since
written you on this subject, but
I apprehend his letter has
miscarried.

I am Dear Sir with
sentiments of great regard
